**Strength And Breadth Of Portfolio Unmatched**
Honeywell → ACS → Scanning & Mobility

**Profile**
- 2300+ Employees; $0.6B 2011E Revenue

**Strengths**
- Global Presence, Diverse Portfolio and Customer Base, Strong IP Position
- 2D Imaging, Managed Services, Warehouse, End to End Mobility Solutions

Honeywell Aerospace
Worldwide R&D/Engineering Enables Development Around The Clock
Global Innovation - Product Development

Worldwide team of engineers leveraging expertise of local available resources, universities, as well as global knowledge.

Global engineering footprint allows new product development around the clock.

Strong patent portfolio investing in future technology advancements and protecting the intellectual property.

More than 10 years of experience in Suzhou developing and designing products.
