HONEYWELL ANNOUNCES LAUNCH OF SOLSTICE ADVANCED MATERIALS’ OFFERING OF SENIOR NOTES IN CONNECTION WITH PLANNED SPIN-OFF

CHARLOTTE, N.C., Sept. 16, 2025 – Honeywell (NASDAQ: HON) today announced that, in connection with the previously announced spin-off (the “Spin-Off”) of Solstice Advanced Materials Inc. (“Solstice”) from Honeywell, Solstice has commenced a private offering of \$1 billion aggregate principal amount of senior notes due 2033 (the “Notes”). The precise size, timing and terms of the Notes offering are subject to market conditions and other factors.

In connection with the Spin-Off, which is expected to be completed in the fourth quarter of 2025, Solstice expects to enter into a senior secured first-lien term B loan facility, a senior secured first-lien revolving credit facility, and one or more uncommitted letter of credit facilities (collectively, the “Senior Credit Facilities”). Solstice intends to use a portion of the gross proceeds of the Notes, together with borrowings under the senior secured first-lien term B loan facility, to make a distribution to Honeywell in connection with the Spin-Off and to pay fees, costs and expenses in connection with the Senior Credit Facilities and the Notes offering. Solstice intends to use the remaining proceeds, after payment of transaction expenses, if any, for general corporate purposes. The proceeds from the Notes offering will be held in escrow until satisfaction of the conditions precedent to the Spin-Off and certain other escrow release conditions. If such conditions are not met by March 31, 2026, the Notes will be redeemed at 100% of principal plus accrued interest.

The Notes will be senior unsecured obligations of Solstice and guaranteed on an unsecured senior basis by each of Solstice’s existing and future domestic subsidiaries that guarantees the new senior secured credit facilities.

The Notes and related guarantees have not been, and will not be, registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act) except in transactions exempt from, or not subject to, the registration requirements of the Securities Act. Accordingly, the Notes and related guarantees are being offered and sold only to persons

reasonably believed to be qualified institutional buyers in accordance with Rule 144A under the Securities Act and outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act.

This press release does not constitute an offer to sell or the solicitation of an offer to buy the Notes or any other security, nor shall it constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful. Any offers of the Notes or related guarantees will be made only by means of a private offering memorandum.
